Dear Ever Loving Buddy,

I have greatly enjoyed the many laughs and fights that we have had since we began our delightful acquaintance in the seventh grade. Remember how we use to give Mrs. Houton a headache last year in 4th Period Science. ~~last year~~. We had many good times swimming at East Marion last summer. Any occasion that I have been with you has not been dull. Such a comedian I never saw before but I like you just as you are so remain that way. We have always been buddies and I hope that we will always be. I hope that our future acquaintance in the future years of our high school career will be as pleasant as those in the past. Some day when you are an old bachelor and get this annual out of the trunk to review your memory. Remember me as a pal always.

Jsc

Dear Flash,

I have really enjoyed
in school with you. I
am looking forward to
when we are together
to see you.

P R E F A C E

IN this book we have tried to form a picture of Marion High School and the people who make it what it is today. To each student may this annual serve as a strongbox to keep the happy memories which he has from his pleasant high school days. In years to come, as the former student thumbs through his annual, may his heart be warmed by the rich memories this book holds, and may he be proud that he was once a part of this fine school.

As others turn the leaves of this annual may they form a high and respectful opinion of Marion High; its academic and social life. May they look to the fine citizens who are graduates of this school for their leaders in the responsible positions of this state.

DEDICATION

TO a friend, a scholar, and a fine man. To the man who is the true friend of all who attend Marion High School. To the one who patiently instructs his pupils day by day in order to prepare them for the ways of life. To a man who is interested in every phase of activity in the school and who devotes the great majority of his time to the upbuilding of Marion High. To the man who for five years has shown great interest in the athletic program, in the instruction program, and who has served as the senior advisor, we wish to dedicate this annual. To E. L. Carter, first our friend, then our teacher, we the members of the Hylander Club dedicate the 1948 Hylander.

CAFETERIA

One of the most important departments of the High School is the cafeteria. Now in its third year of operation under a new program, the cafeteria has filled many an empty stomach since the adoption of the Federal Aid Program in 1945. The goal of this program is to help furnish well balanced and nourishing meals to the students of the High and Elementary Schools. Believe me, for twenty cents you really get a mouthful.

Men can live without friends,
and men can live without books,
But where is the man that can live
without cooks?

The Student Council was organized in the spring of 1944. The council representatives, which are elected by the students, render a fine service in assisting the teachers in the study halls. To take care of the students who misbehave in the study halls, a council court has been organized. This court works on the same basis as government courts and is the main factor in disciplining the study halls.

Among the other projects which the organization carries on are publication of the handbook of Marion High School, which is distributed without cost to the students; operation of a candy store in the council room during lunch period; regulation of traffic in the halls during change of classes; and presentation of at least one chapel program a year.

HYLANDER CLUB

EVEN as a tiny seed planted in the damp soil will grow, through the years into a plant of natural beauty and wonder, so has this Hylander of 1947-48 had its planting and growth into this present excellent state and perhaps, as you turn its pages, resplendent with its pictures, snapshots, lists of rolls, and other information on our general school year, you wonder about its beginning and growth. This, then, is the answer to your wonderment.

The first volume of the Hylander, a plain unadorned book, appeared in 1926, and, for a first venture into the publishing of an annual, it was a passable result. Within its two hard covers there was told the story of life in Marion High School during the gay mid-twenties. No more annuals were published after this volume for a number of years.

Finally, in 1937-38, the Honor Society, under the sponsorship of Mrs. Augustus Kluntz, published the second volume of the Hylander. It was a mimeographed annual, bound in yellow paper, and containing no pictures, but still giving a detailed listing of events in the High School for the year. The following year, however, the Hylander suffered another setback when Mrs. Kluntz left the school in mid-year and there was no 1939 annual.

But the Hylander was not to admit defeat so easily and, in 1940, it was resurrected for the second time by the senior class. Dedicated to Mr. Beam, the annual was a sophisticated catalogue of classes, histories, events and activities. For the next eight years the Highlander continued to grow and expand and to become a better annual with each passing year until this 1948 Hylander, published under the sponsorship of Mr. Carter. We feel that the following prophesy taken from Mr. Beam's greetings in the 1938 annual, has been fulfilled: "This publication can and will become a vital factor in student activities. In purpose it will serve as a reminder to pupils—of events which were important—and of ideals which will become stimulating—as an influence for additional achievements."

DEBATERS' CLUB

LIKE the bear who hibernates during the winter and comes from his cave in the spring, the Debating Club has again taken its place, after spending several years in a forced hibernation, among the swirling whirlpool of athletics, band and other more attractive, student-appealing activities of our school. The club was kept active during the 1930's by participating in Triangular Debates over the state, but in 1940, due to war-imposed obstacles and the temporary cessation of the Triangular Debates, the club was disbanded in the school.

Last year, however, under the expert guidance of Mr. Carter, the Debating Club was again brought back into existence and sent two teams to the Triangular Debates. The Marion negative team, composed of Robert Marks, John Poteat, and Glenna Byrd as alternate, met the Forest City affirmative in Asheville, while the Marion affirmative team, composed of Lynn Crawley, Betsy Bowman, and L. D. Atkins, Jr. as alternate, met the Lee Edwards negative in Forest City.

Due to inexperience, both of the Marion teams met defeat, but the two opposing teams went on to the finals at Chapel Hill to become the State winners. Not in the least, disheartened, the club is again working for the Triangular Debates, and they have their hopes of making a better showing this year than last.

MARION HIGH

The Marion High School Band was organized by Mr. Bernard Hirsch in 1935 with twenty-seven members on the roll by the end of the year.

The band received a "2" rating in the North Carolina State Music Festival for each of the years 1936, 1937, and 1938. By 1938 the band had increased to forty-seven members.

During the 1938-39 year, the Band Mothers' Club helped the band greatly by raising \$1500 for much needed uniforms.

In 1938-39 the band captured a "1" rating in the State Contest and advanced to the National Regional contest in Charlotte, where they received a "2" rating.

In 1940-41, the band, now enlarged to sixty-three members, earned a "1" rating in the Greensboro State Contest and went on to the National Regional Contest

SCHOOL BAND

in Richmond, Virginia, coming home with a coveted "1" rating.

When Mr. Hirsch was inducted into the armed forces in 1942, Mr. R. Glenn Palmer came to direct the band. There were no contests because of the war, but the band made up for this by participating in a number of activities at home.

1944 saw Mr. Palmer also entering the armed forces and the band luckily secured Miss Mabel Beach as director. In 1946 the state contests were resumed, with the M. H. S. band receiving a "2" rating.

Everyone was joyous at having Mr. Hirsch again in the fall of 1946. He proved his ability when, after a few months, he led the band to a "1" rating in the Greensboro contest. The band was especially active that year attending football games, giving concerts and attending the Apple Blossom Festival in Hendersonville.

This year the band is again on the upgrade, having performed at football games and having given two concerts. The band doesn't consider this success however. It is only a milestone to the making of North Carolina's best High School Band.

NATIONAL HONOR SOCIETY

"In order to establish a more perfect society, to promote high ideals, and to create order, interest, and uniformity in our midst" reads the preamble of the constitution of the Marion Chapter of the National Honor Society and, ever since its organization, the Marion Chapter has endeavored to fulfill the above quotation.

The Marion Chapter was organized in 1930 under the sponsorship of Mrs. Augustus Kluntz and during its first year of existence, eight members of the 1930 class were inducted into the society. Through the succeeding seventeen years, from 1930 to 1947, students have been inducted into the society on the average of ten a year. Mrs. Kate Finley, of the present school faculty, became sponsor of the Marion Chapter in 1944.

The four standards by which a student is judged for membership into the society are (1) character, (2) service, (3) leadership, and (4) scholarship. The students who are eligible are voted into the Society by the faculty who use the above standards as their measuring rule. The induction ceremonies take place in the early spring.

FOOTBALL

AN almost flawlessly coached Ripper eleven met both defeats and victories in the 1947 football season. Led by some of the greatest players ever to wear the orange and black uniforms, they jumped even the Coach's expectations. The Rippers got to their feet after the opening tie with the Conference Champions of the Palmetto State, Parker High, and under the winning wizardry of Coach Ditt and his staff, expended their wrath with progressive fury upon their conference foe. With a few powerful backs and several veteran linemen they won 7 games and lost 4 with 1 tie.

Kirby Rader, Ripper tailback, played in the Shrine Bowl at Charlotte, while Jackie Lonon, end, played in the Optimist Bowl at Asheville.

Sparking the team throughout the season was England, who rattled their bones with his line

plunging and tackling, and with Ray Robinson, who was one of the hardest of all Ripper blockers. They were ably helped throughout the season by Whiz Davis, the tall lanky end, and J. B. Brooks, the powerful diminutive guard who probably set a conference record by blocking eight punts during the season.

Seniors who have played their last game as Rippers are Donald England, Kirby Rader, Ray Robinson, Leonard Moody, Roy Davis, and Jackie Lonon.

So ends another successful season for the Rippers.

SEPTEMBER 12

MARION HIGH 7

PARKER HIGH 7

In probably the best game of the season the Rippers battled the Purple Tornadoes of Parker High to a 7-7 tie in Greenville. Marion scored in the first period on a pass from Rader to Lonon and held this lead until the closing minutes of the game, when a desperation pass gave Parker its only touchdown. The game was played before a throng of 10,000 people who saw England and Rader pice the Marion team with outstanding aid from Whiz Davis and Brooks who blocked an important punt in the game.

SEPTEMBER 19

MARION 13

NEWTON-CONOVER 0

Marion easily downed the Red Devils of Newton-Conover High in their first western conference tilt. Rader plunged over from first the one yard line and then the three yard line for the only two touchdowns. The Devils threatened only once when they drove to the Marion twenty in the third quarter. England and Rader led the offense while Lonon, Hendley and Cuthbertson held the defense with Brooks blocking his second kick of the year.

FOOTBALL

SEPTEMBER 26

MARION HIGH 7

LENOIR 13

At Lenoir the Rippers suffered their first defeat of the season. The Bearcats scored first, driving 35 yards for the touchdown. Before the half Marion drove 40 yards to the Lenoir 15 yard line with runs and passes clicking but were stopped short of paydirt by the clock. In the third quarter the Rippers marched 60 yards to score, Rader making the score. Lenoir got their final score in the third period on a drive of fifty-five yards. Marion controlled the ball in the latter part of the game, passing and running to the Lenoir 10 yard line once and the five again. The contest ended with the ball on the Lenoir 12 yard stripe. Rader, Moody and England were standouts. Brooks blocked his third consecutive kick of the season.

OCTOBER 3

MARION 40

KINGS MOUNTAIN 0

Marion rolled up its highest score of the year against a weak Kings Mountain team with the Rippers scoring in every period. K. Rader made three of the touchdowns; Whiz Davis, Fuzz England and John Rader

each made one. Prominent on the Marion defense were Hendley, Moody, Roy Cuthbertson, and Ray and Millard Robinson with Brooks, who kept his slate clean by blocking the fourth punt of the year.

OCTOBER 10

MARION 14 VALDESE 0

Playing the first of five games contested on a wet and soggy gridiron, the Rippers sent a Valdese team to defeat by a two-touchdown margin. Ripper touchdowns came in the second period on a 60 yard drive, and in the third quarter on a 50 yard drive. England led both marches with Rader carrying the ball for the few final yards. England successfully kicked both conversions. The entire team showed up well defensively.

OCTOBER 17

MARION 6 MORGANTON 12

The Morganton Wildcats eked out a victory over Marion in the Rippers Homecoming game. The Rippers outclassed their opponents for most of the game and led in all the statistical departments but were unable to withstand a last scoring march by the Wildcats. In the first period the Rippers carried the ball through the rain and mud on a 45 yard drive that ended with a touchdown pass from Rader to Packett who made a beautiful catch of the ball. The first Wildcat score came in the second quarter as a result of a 40 yard drive. Helms drove over from the Rippers 2 yard marker. Hart set Morganton's last touchdown on a 55 yard run and made the score immediately after the fourth period began. Rader, Packett, Hendley and H. Cuthbertson were the leaders for the Marion team while J. B. Brooks, one of the midget guards, racked up two more blocked kicks on his record, making his total up-to-date six.

OCTOBER 24

MARION 19 HENDERSONVILLE 0

In the third of a series of games played on wet fields, the Rippers overpowered the Bearcats of Hendersonville with Rader scoring all the touchdowns. Marion scored the first time they got the ball, again in the second

ENGLAND

quarter on a fifty yard punt return, and lastly, in the fourth period on a sustained drive of 50 yards. Pendergrass, R. Cuthbertson, and Ray Robinson were the mainstays of the Ripper defense along with Brooks, who blocked one punt and another one that was called back because of a penalty.

MARION 26 RUTHERFORDTON 0

Once again playing on a dry field, the Rippers, in one of their better games of the season crushed the hopes of a determined Hilltopper eleven. Marion's initial score came on an end-around play with Whiz Davis carrying the ball 45 yards for the touchdown. Marion scored again a few moments later when a 45 yard drive ended with Davis going across from the 10 yard line. Late in the second quarter a 50 yard pass play scored, as Davis passed 35 yards to Lonon who ran the remaining 15 for the third Marion tally. Ray Robinson and Fuzz England led a third period march which culminated in a touchdown when Robinson bucked over from the five yard line. H. Cuthbertson, M. Robinson, and Pendergrass also were outstanding in the Ripper line-up.

NOVEMBER 7

MARION 7 HICKORY 13

The Red Tornadoes of Hickory capitalized on two timely breaks to defeat the Rippers. The entire game was played in a downpour of rain and was marred by fumbles by both teams. Craig made both of Hickory's scores. The orange and black eleven made its only touchdown in the first period, Rader racing 10 yards to climax a 50 yard march. England, Davis and Ray Robinson paced the Ripper defense.

NOVEMBER 14

MARION HIGH 14 CANTON 29

Marion suffered the worst defeat of the season at the hands of the Canton Black Bears led by Clyde Miller, All-State back. The Canton team scored touchdowns in the first, second, and third quarters, and a lone safety in the third. Marion scores were made in the third and fourth periods, one on a 50 yard pass from Rader to Packett for the score, and the last one by England who made a 60 yard drive to the goal. Standouts for the game were England, Packett, Moody, R. Cuthbertson and Brooks.

NOVEMBER 21

MARION 12 CHERRYVILLE 7

The Rippers were forced to come from behind to defeat a fine Cherryville team by a 12-7 score. England carried the ball to the 2 yard line where Rader carried it over for the score. The Ironmen chalked up a touchdown in the third quarter and made their extra point. The game was fought on even terms from this point until late in the fourth quarter when England and Rader led a march down to the 20 yard line where Rader passed to Packett for the winning touchdown. England and Packett played some of the best ball of the season and the entire backfield turned in a good game.

NOVEMBER 26

MARION 32 FOREST CITY 0

In their final game of the year, the Rippers crushed an outclassed Forest City team by a one-sided score. K. Rader made three of the Ripper scores. Jackie Lonon caught passes in the end zone for other touchdowns. The Rippers were almost flawless, as Forest City failed to get inside the Ripper 40 yard line. The guards were the mainstays of the line with Brooks and Moody doing a wonderful job. In the backfield the play of England and Robinson, although neither scored, was exceptionally good.

BOYS' BASKETBALL

THIS year, as always, Marion placed on the hardwood one of the conference's strongest teams.

Four of last year's starting quintet returned to roam Western Conference courts for the orange and black team this winter.

Frank Pace, forward and center who was high scorer for the '46-'47 Rippers, ran high in the scoring race again and proved to be one of the team's most outstanding players.

The other forward spot was helped by little Ray Robinson, a talented and scrappy athlete.

Claude Flack, also a small man, was another outstanding player. Combining a brilliant floor game with a deadly eye for the basket, Claude has turned in sterling guard play for the Rippers for three years.

Donald Clayton, along with Millard Robinson operated from both forward and center. Both are lettermen, and possess offensive and defensive abilities.

Kirby Rader also was a leading candidate in the starting line-up. A versatile player, Kirby can play almost any position.

Another letterman is Freddy Kirkland who received a large share of action at guard.

Closely following these men were Guy Smith, Bill Burnette, Carl Walker, and Wilburn Hammet. All of these boys have several more years at Marion High and all have what it takes to make excellent Ripper basketball players.

GIRLS' BASKETBALL

THE RIPPERETTES suffered the loss of five of last year's starting six girls. Nevertheless, they came up with a team rich in talent and determination, if not experience.

Juanita Elliott operated from a forward position, and was one of the team's leaders.

Katherine and Katie Wilkerson made good their bids for starters; Katherine at forward and Katie at guard. Katherine was one of last year's best forwards and was again this year. Betty Ann Hemphill, Glynn Lambeth, and Earbara Gibbs also figured in the line-up at forward.

At the guard position, Becky Hemphill was the starter. Lila Harrison was one of the top guards, too, together with Yvonne Arrowood and Celia Hawkins.

Other leaders were Betty Jo Crease and Virginia Shepard and Annie Laurie Copeland.

Dear Flash,

I have enjoyed knowing you more
this year than ever. I hope you will
get in the band next year and on sure you
will. We will really have a swell time when
you get in. We have really had a wonderful
time this year at ball games, shows and most
anywhere we were together. I am looking
forward to knowing you for the rest of school
at least.

Dear Flash,

I'm looking out I doubt to find another boy quite like
you. You are about the cutest boy I know anywhere.
We have had lots of fun this year getting
and so forth. We have had lots of fun just talking at
lunch and other places. Remember the day we went out
to Lake Tohoma one after noon. I will always remember
you with the rest of the gang. Well Flash there's no use
of using up all this space telling you how much I love
you since you already know about it. Will see
you next year I hope.

Dear Flash,
It has been a great
pleasure knowing you & going
to school with you this year as
well as having you for a next door
neighbor. Don't forget our good times
in the gymnasium and the night
ate supper with you. I think you are
a nice, courteous, boy and have a real friendly
personality. Always remember me as an
old pal.
Sincerely,
Carolyn "Dimples"

Bespired for me.

Dear Flash,

I have enjoyed being in school with you this year very much. Better sell your land while the price is high.

Better get you a girl before I take 'em all (heh! heh!).

Keep on playing pong-ping and you'll be good as me someday (concited). I want my pong-ping paddles back from Sewage.

Better watch them Pepsi-Cola's liable to cost you and get you in trouble (get you sick and have to pay the doctor bill that is). Watch them holes in that ball field (keep other boys from slipping in I mean).

Come visit me at Mackay's Creek and I'll give you a woman.

Your friend, (I hope)
Marshall

Dear Frank,

I have enjoyed being
in class with you this
year. You are really a
Sweet person, so here's
Wishing you love, luck
and happiness in the
future.

Dear Jimmy
(Head)
I wish you
shone as much in the moon
light of success as you'll find
in some of your work. Be
wiser and on your feet in
all of your work. You can
win all of your work.

Dear Sweet Darling Jimmy,

You are my very best sweetheart,
and I love you better than snuff!!

I will miss you an awful lot
next year when I'm gone. Be
awful good and not too bad.

You are ultra-sweet and purty
and I never saw no feller
half as cute. Don't fergit me

and thum next year, how sweet
we are and how purty we are.

Best wishes, but I know
you are so bad you'll get
hung before you're twelve years
old.

Love and kisses
